

Listing of the Claims:

The following is a complete listing of all the claims in the application, with an indication of the status of each:

1. (Previously presented) A fixed amount sales system, comprising a point of sales (POS) terminal which allows the performance of the following operations:

(i) selecting a fixed amount for items and option items to be purchased, each option item being associated with an option item amount,

(ii) deducting from said fixed amount any option item amounts for option items to be purchased to provide a balance amount for said items as a difference between said fixed amount selected and said any option item amounts for option items to be purchased, and

(iii) providing said items at said POS terminal in an amount equal to said balance amount.

2. (Previously presented) The fixed amount sales system according to claim 1, further comprising a display associated with said POS terminal said display presenting a plurality of fixed amounts for selection.

3. (Previously presented) The fixed amount sales system according to claim 1, further comprising a display associated with said POS terminal said display presenting one or more option items which can be bought.

4. (Previously presented) The fixed amount sales system according to claim 3, wherein said display only displays said option items which can be bought for less than said fixed amount.

5. (Previously presented) The fixed amount sales system according to claim 1, wherein the POS terminal issues an option item ticket for said option items to be purchased and a sales receipt.

6. (Previously presented) The fixed amount sales system according to claim 5, wherein said option item ticket includes a bar code.

7. (Previously presented) The fixed amount sales system according to claim 1, wherein said POS terminal is associated with a gasoline stand.
